Congratulations to each and every one of you. The applications were impressive and show incredible dedication to your clients - from Fleet to Fireman. Any selected officer who is interested in moving to your next assignment, please review the Lieutenant Downwind Billet List on the website at: <http://www.bupers.navy.mil/pers4/pers4416/P4416C%20Page.htm> then contact your detailer, LCDR Caren McCurdy, at DSN 882-4083 or commercial 901-874-4083 or caren.mccurdy@navy.mil, to arrange orders to your next duty station.

The next TAP Board will be in September. An exact date and deadline will be announced within a few months.
