

**1. Hot Fill: TAD SJA for NSW Task Group in the CENTCOM AOR.**

The Task Group requires an O-3/LT JAG with substantive OPLAW experience, who can deploy with the TG on or about 2 Jan 04. Due to short fuse, limited formal training opportunity. Will be restricted to SOF-specific information/material being provided and consultation with senior NSW JAGs before deployment. TAD is for approximately 3 months, until incumbent completes pipeline training. This hot-fill solicits world-wide nominations.

Assignment will be on the ground (not embarked) in the CENTCOM AOR, and will entail traditional SJA duties, with a strong emphasis on ROE, LOAC, International and Operational Law. Clearance must, at a minimum, be SECRET. Funding for the TAD will provided by NSWG-1.
