(2) Paragraph (1) does not apply to a communication that is unlawful.

(b) Prohibition of Retaliatory Personnel Actions. -

(1) No person may take (or threaten to take) an unfavorable personnel action, or withhold (or threaten to withhold) a favorable personnel action, as a reprisal against a member of the armed forces for making or preparing -

(A) a communication to a Member of Congress or an Inspector General that (under subsection (a)) may not be restricted; or

(B) a communication that is described in subsection (c) (2) and that is made (or prepared to be made) to -

(i) a Member of Congress;

(ii) an Inspector General (as defined in *subsection (i)*) or any other Inspector General appointed under the *Inspector General Act of 1978*.

(iii) a member of a Department of Defense audit, inspection, investigation, or law enforcement organization; or (iv) any other person or organization (including any person or organization in the chain of command) designated pursuant to regulations or other established administrative procedures for such communications.

(2) Any action prohibited by paragraph (1) (including the threat to take any action and the withholding or threat to withhold any favorable action) shall be considered for the purposes of this section to be a personnel action prohibited by this subsection.

(c) Inspector General Investigation of Allegations of Prohibited Personnel Actions. -

(1) *If a member of the armed forces submits to an Inspector General an allegation that a personnel action prohibited by subsection (b) has been taken (or threatened) against the member with respect to a communication described in paragraph (2), the Inspector General shall take the action required under paragraph (3).*

(2) *A communication described in this paragraph is a communication in which a member of the armed forces complains of, or discloses information that the member reasonably believes constitutes evidence of, any of the following:*

(A) *A violation of law or regulation, including a law or regulation prohibiting sexual harassment or unlawful discrimination.*

(B) *Gross mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety.*

(3)

(A) *An Inspector General receiving an allegation as described in paragraph (1) shall expeditiously determine whether there is sufficient evidence to warrant an investigation of the allegation.*

(B) *If the Inspector General receiving such an allegation is an Inspector General within a military department, that Inspector General shall promptly notify the Inspector General of the Department of Defense of the allegation. Such notification shall be made in accordance with regulations prescribed under subsection (h).*

(C) *If an allegation under paragraph (1) is submitted to an Inspector General within a military department and if the determination of that Inspector General under subparagraph (A) is that there is not sufficient evidence to warrant an investigation of the allegation, that Inspector General shall forward the matter to the Inspector General of the Department of Defense for review.*

(D) *Upon determining that an investigation of an allegation under paragraph (1) is warranted, the Inspector General making the determination shall expeditiously investigate the allegation. In the case of a determination made by the*

Inspector General of the Department of Defense, that Inspector General may delegate responsibility for the investigation to an appropriate Inspector General within a military department.

(E) In the case of an investigation under subparagraph (D) within the Department of Defense, the results of the investigation shall be determined by, or approved by, the Inspector General of the Department of Defense (regardless of whether the investigation itself is conducted by the Inspector General of the Department of Defense or by an Inspector General within a military department).

(4) Neither an initial determination under paragraph (3)(A) nor an investigation under paragraph (3)(D) is required in the case of an allegation made more than 60 days after the date on which the member becomes aware of the personnel action that is the subject of the allegation.

(5) The Inspector General of the Department of Defense, or the Inspector General of the Department of Transportation (in the case of a member of the Coast Guard when the Coast Guard is not operating as a service in the Navy), shall ensure that the Inspector General conducting the investigation of an allegation under this subsection is outside the immediate chain of command of both the member submitting the allegation and the individual or individuals alleged to have taken the retaliatory action.

(d) Inspector General Investigation of Underlying Allegations. -

Upon receiving an allegation under subsection (c), the Inspector General receiving the allegation shall conduct a separate investigation of the information that the member making the allegation believes constitutes evidence of wrongdoing (as described in subparagraph (A) or (B) of subsection (c)(2)) if there previously has not been such an investigation or if the Inspector General determines that the original investigation was biased or otherwise inadequate. In the case of an allegation received by the Inspector General of the Department of Defense, the Inspector General may delegate that responsibility to the Inspector General of the armed force concerned.

(e) Reports on Investigations. -

(1) After completion of an investigation under subsection (c) or (d) or, in the case of an investigation under subsection (c) by an Inspector General within a military department, after approval of the report of that investigation under subsection (c)(3)(E), the Inspector General conducting the investigation shall submit a

report on the results of the investigation to the Secretary of Defense (or to the Secretary of Transportation in the case of a member of the Coast Guard when the Coast Guard is not operating as a service in the Navy) and shall transmit a copy of the report on the results of the investigation to the member of the armed forces who made the allegation investigated. The report shall be transmitted to the Secretary, and the copy of the report shall be transmitted to the member, not later than 30 days after the completion of the investigation or, in the case of an investigation under subsection (c) by an Inspector General within a military department, after approval of the report of that investigation under subsection (c) (3) (E).

(2) In the copy of the report transmitted to the member, the Inspector General shall ensure the maximum disclosure of information possible, with the exception of information that is not required to be disclosed under section 552 of title 5. However, the copy need not include summaries of interviews conducted, nor any document acquired, during the course of the investigation. Such items shall be transmitted to the member, if the member requests the items, with the copy of the report or after the transmittal to the member of the copy of the report, regardless of whether the request for those items is made before or after the copy of the report is transmitted to the member.

(3) If, in the course of an investigation of an allegation under this section, the Inspector General determines that it is not possible to submit the report required by paragraph (1) within 180 days after the date of receipt of the allegation being investigated, the Inspector General shall provide to the Secretary of Defense (or to the Secretary of Transportation in the case of a member of the Coast Guard when the Coast Guard is not operating as a service in the Navy) and to the member making the allegation a notice -

(A) of that determination (including the reasons why the report may not be submitted within that time); and

(B) of the time when the report will be submitted.

(4) The report on the results of the investigation shall contain a thorough review of the facts and circumstances relevant to the allegation and the complaint or disclosure and shall include documents acquired during the course of the investigation, including summaries of interviews conducted. The report may include a recommendation as to the disposition of the complaint.

(f) Correction of Records When Prohibited Action Taken. -

(1) A board for the correction of military records acting under section 1552 of this title, in resolving an application for the correction of records made by a member or former member of the armed forces who has alleged a personnel action prohibited by subsection (b), on the request of the member or former member or otherwise, may review the matter.

(2) In resolving an application described in paragraph (1), a correction board -

(A) shall review the report of the Inspector General submitted under subsection (e) (1);

(B) may request the Inspector General to gather further evidence; and

(C) may receive oral argument, examine and cross-examine witnesses, take depositions, and, if appropriate, conduct an evidentiary hearing.

(3) If the board elects to hold an administrative hearing, the member or former member who filed the application described in paragraph (1) -

(A) may be provided with representation by a judge advocate if -

(i) the Inspector General, in the report under subsection (e) (1), finds that there is probable cause to believe that a personnel action prohibited by subsection (b) has been taken (or threatened) against the member with respect to a communication described in subsection (c) (2);

(ii) the Judge Advocate General concerned determines that the case is unusually complex or otherwise requires judge advocate assistance to ensure proper presentation of the legal issues in the case; and

(iii) the member is not represented by outside counsel chosen by the member; and

(B) may examine witnesses through deposition, serve interrogatories, and request the production of evidence, including evidence contained in the investigatory record of the Inspector General but not included in the report submitted under subsection (e) (1).

(4) The Secretary concerned shall issue a final decision with respect to an application described in paragraph (1) within 180 days after the application is filed. If the Secretary fails to issue such a final decision within that time, the member or former member shall be deemed to have exhausted the member's or former member's administrative remedies under section 1552 of this title.

(5) The Secretary concerned shall order such action, consistent with the limitations contained in sections 1552 and 1553 of this title, as is necessary to correct the record of a personnel action prohibited by subsection (b).

(6) If the Board determines that a personnel action prohibited by subsection (b) has occurred, the Board may recommend to the Secretary concerned that the Secretary take appropriate disciplinary action against the individual who committed such personnel action.

(g) Review by Secretary of Defense. -

Upon the completion of all administrative review under subsection (f), the member or former member of the armed forces (except for a member or former member of the Coast Guard when the Coast Guard is not operating as a service in the Navy) who made the allegation referred to in subsection (c)(1), if not satisfied with the disposition of the matter, may submit the matter to the Secretary of Defense. The Secretary shall make a decision to reverse or uphold the decision of the Secretary of the military department concerned in the matter within 90 days after receipt of such a submittal.
